

Special Vonage® **BPAA** Offer

Bringing BPAA Members an Exceptional Rate and Service

With Vonage's great offer on phone services for bowling center operators, your business can extend an impressive in-store experience to every customer call.

Enhanced Voice Experience and Unparalleled Reliability

- Unlimited calling to the US/Canada
- Use or manage your business system from anywhere
- 50+ calling features including: Virtual Receptionist, Call Reporting, Call Screening, Never Miss a Call, Call Reports in Real-time, and more

Ways Your Business Will Benefit

“Never Miss a Call” – With intuitive calling features like Simultaneous Ring and Shared Line Appearance (SLA), you and your team will miss fewer important calls and have more opportunities to provide high-quality support to customers.

Store-to-Store Dialing – Expand your business' reach with easy extension-to-extension dialing to your stores.

Easy Scalability – Whether you currently have multiple stores or aspire to get there, this complete solution will grow quickly and easily with your business.

Consolidated Billing – Simplify your life with one bill for phone service for your entire business – no matter how many locations you have.

Hands on Support – We are here to help you throughout the sales process and life of your services. Support is available via phone or email

Your business will get everything it needs to communicate seamlessly with customers and colleagues, for only:
