The **BPAA's Annual Membership Meeting** is scheduled for **Sunday, June 30, 2024**, at 10:30 AM, at the Gaylord Rockies in Denver, Colorado, at which time members will vote. All terms will begin July 1, 2024.

This notice serves, per BPAA bylaws, as official notification to membership, the names of all qualified persons who have been nominated by the Nominating Committee to serve as At-Large Directors being published to the Regular Members at least ninety (90) days before the Annual Meeting. At-large Director candidates must be an owner, partner, officer, director, or management employee of a Regular Member; however, they need not have a proprietary interest in the Regular Member's business in order to be eligible to serve as an At-Large Director. Officer candidates (and Regional Directors) must have a minimum of five percent (5%) equity ownership interest in a Regular Member's business (a "Proprietary Interest") in order to be eligible to serve as an Officer or Regional Director of the Association.

A provision of BPAA bylaws allows individuals interested in an officer or at-large director position to submit an application outside the nominating process and allows for their name to be on the ballot. *The bylaw states such applications must be received at least 60 days (by April 29, 2024) before the annual meeting.*
