URGENT – NOTABLES RECALL of CINNAMON TOAST CRUNCH BREAKFAST BAR KIT MUA
IMMEDIATE ACTION NECESSARY
INTERNAL CORRESPONDENCE – DO NOT FORWARD

Please be aware that receipt of this communication is NOT confirmation that you have received affected product. This correspondence has been distributed as a courtesy to Sysco customer corporate contacts as a notification of a general recall/withdrawal/hold situation. If the unit locations received affected product, they will be contacted by the Sysco Operating Company that services them. If any one of your locations purchased this item(s), regardless of distributor, it is recommended that you check your inventory for affected product.

THIS PRODUCT IS A REPORTABLE FOOD.

Sysco Quality Assurance received notification that Notables is conducting a voluntary product RECALL of CINNAMON TOAST CRUNCH BREAKFAST BAR KIT. Notables is in the process of notifying Sysco Operating Companies.

The reason for the recall is because the affected product contains ingredients made from sunflower seeds distributed by the supplier, SunOpta, which may be contaminated with Listeria monocytogenes. Listeria is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, listeria infection can cause miscarriages and stillbirths among pregnant women. There is a food safety concern.
