Need help lining up on the lane condition to hit the pocket more often, and carry more strikes, need help making 10 pins (or 7 pins), need help choosing which of your balls best suits the lane condition, need help with your focus and concentration. Mickey can help.

All you have to do is ask: We will draw a team a week from your league, from any teams that are interested, and that night will be your night to move up to the next level.

SPLASHIASIIC

Float around the river, splash it up in the wave pool, dip your toes with the little ones, take a ride on a slide...there's tons of cool fun in the sun for everyone.

The wildest waves in northern Nevada can only be found in Wild Island's Montego Bay Wave Pool. From mild to wild, you'll enjoy way perfect waves for body surfing. Or you can try to stay afloat on a tube. It's a splashin' thrill for all ages. Wade in and hang on... this one's wild.

Young adventurers can splash down on three mini slides in the Little Lagoon or enjoy the Dragon and Frog slides. Go interactive at Hurricane Cove with water guns, rope pulls, slides and a giant bucket waterfall. Everyone loves a cool float in the Slow River. And adults can enjoy a relaxing soak and sun in the spa at Kokomo's Island Bar.

If racing is your thing, throw down a challenge on the Zulu 4-lane mat racer. Plunge into the swirlin', whirlin' vortex of Eye of the Dragon or wind along the twistin', turnin' body slidin' adventure of the Dragon's Tail. These rides will slay you! Ride the rapids of Tortuga and float through its spinning curves and drops. If you want more, it's Fire & Ice. These two enclosed body slides will twist you down hundreds of feet of fun. It's hot and the landing is cool.

Looking for more slip-slidin, splish-splashin excitement? If you've got the guts, you'll get the glory on our three thrill rides. Take a daredevil drop down the Red Viper. A rip roarin' ride-in-the-dark on the Black Widow. Or the rockin' and rollin' ride of your life on the all Scorpion. It'll get ya!

Be a VIP for the day in one of our private cabanas. Regular cabanas and mini cabanas at the wave pool and the King, Copa and Havana Cabanas near the kiddie pool and Tortuga family slide are perfect for big family/friend fun and shade!

But there's more than cool fun, there's also cool treats. Wild Island's snack bars can wet your whistle and fill your appetite with all sorts of American-style favorites. Kokomo's also serves up refreshing adult drinks, including domestic, imported and micro brew beers and favorite tropical delights.

ESCAPE TO THE ISLAND

At the base of the Sierra and in the shadow of the cities of Reno and Sparks lies the oasis of family fun known as Wild Island. GO BOWLISTIC AND SO MUCH MORE!

There's bowling and more bowling at Coconut Bowl at Wild Island. But there's oh so much more!

With 32 public lanes and two rentable bowling garages with four lanes each and all with glow bowling capability, Coconut Bowl is the area's premier public bowling facility. And the most fun too!

Bowlers of all ages and skill levels will find fun-for-all bowling with competition-level lanes, a pro shop, bumper bowling for the kids, and the laser light and rockin' music spectacular of Glow Bowling every night starting at 5:30.

The three-story interactive play space, High Ballocity, is filled with challenging games that encourage activity, cooperation, and friendly competition for all ages.

Our Laser Mazes are a one-of-a-kind attraction where you time your moves to beat the maze, beat your scores, and challenge your friends.

Wild Island is the place to putt a round anytime rain or shine. Our two outdoor courses offer traditional 18-hole mini golf fun. Pirate Cove Black Light Mini Golf brings the links indoors and glows with nine holes of ye olde pirate adventure. Golf not your game? The redemption arcade just might be for you.

Our XD Adventure Theater, a full motion, real-time 3D, laser blasting gaming ride, is fun for everyone. Compete for top score and personal best scores in a selection of different interactive movies from robots to zombies.

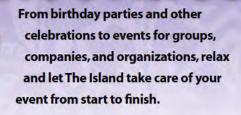

Ready to pump up the thrill-o-meter? We've given whole new meaning to "flying by the seat of your pants."When you have the need for speed, put the pedal to the metal in our go karts and enjoy the ride. Get in, sit down and hang on.

When you're hungry or thirsty, check out or one of our two bars

for all your favorite bar foods and beverages plus salads, wraps and specialty pizzas.

Birthday Party Packages are available at all Wild Island attractions and include party space for your quests and various food, drink, and attraction options.

There are many unique and customizable group party options at

The Island including private bowling garages, private waterpark cabanas,

large party partial facility buy-outs, and full facility buy-outs.

We can even cater your event with only the best mouthwaterin' treats, including all-you-can-eat barbecues.

MATCH GAME FOR BOWLING ®

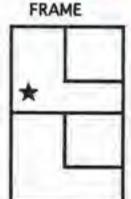

WIN

Automatically calculates "frame by frame" match play. Player with the most points wins! (2 or more players)

This is a computer software for automatic scorers when 2 or more players are scored together. The player with the highest score per frame is awarded a + 1 score, or a + ? score corresponding to the number of other players in the scoring group. All other non-winners are assigned a -1 score. In the event of a tie, the frame is carried over and awarded to the winner of the next non-tie frame. The winner of , the Match is the player with the highest point total at the end of ten frames. Contents of the game are displayed with visual graphics on a scoring monitor.

AUTO HANDICAP AUTO HANDICAP BOWLING ®

HIDDEN

Similar to golf's popular Peoria Handicap System, "Auto Handicap" determines handicaps for the game from a pre-set percentage of base score and randomly selected frames.

This is a computer software to set a fair handicap by automatic scorers when 2 or more players are scored together. The game randomly picks pre-set number of hidden frames and tabulates the pin total. The selected frame pin total is then multiplied and compared to a prearranged base score. The difference between the two numbers is set as a handicap. Handicaps can also be pre-set to represent less than 100% of the prearranged ten frame target score. At the conclusion of the game, a printed scoring sheet depicts the handicapped frames, handicapped score, and total score for each player. A separate printed sheet ranks all players in the scoring group by handicapped score.
