Section 2.01 – CLASSES. There will be seven (7) classes of membership in the Association: Regular Members, Individual Members, Military Members, Non-Profit Members, International Members, 750+ Members, Honorary Members, Retired Members and Allied Members. Each class will have the rights, privileges and obligations as hereinafter defined. The Board of Directors will have the conclusive discretion to determine in which class a particular establishment or individual is qualified.

Section 2.02 – REGULAR MEMBERS. Regular members are defined as any bowling establishment (whether such be owned by an individual, firm, corporation or other legal entity) whose membership dues are paid in full

pursuant to Section 6.04 and providing they do not qualify for membership under one of the membership classes in Section 2.03 thru 2.08.

Section 2.03 – MEMBERSHIP IN QUALIFIED ASSOCIATIONS. Any bowling establishment located within the Membership Territory of a qualified and recognized State or Local Association or Associations, as defined hereinafter, will, as a condition of Regular Membership in this Association, be and remain a Member in each such State or Local Association unless in particular cases this condition is waived by the Board of Directors. Except as provided for in Section 2.07 hereafter, this condition will in any event not apply to any establishment which has been refused membership in any such State or Local Association because of the application of any rule requiring that all establishments under common ownership within the particular Membership Territory must be or become Members. Further, in order to be and remain a Member in a State and/or Local Association, a bowling establishment must also be and remain a Member of this Association. This section will not apply to International Members.

Section 2.04 – NEW CENTER STARTUP. During planning, design and construction, a venue with bowling may apply for a startup membership with the price to be set by the Board of Directors with membership in this class not to exceed 36 months. In the event a location is not open within 36 months, it may petition the Executive Director of the BPAA for a continued startup membership. Upon opening of the venue, the standard member rates shall apply.

Section 2.05 – MILITARY MEMBERS. Any bowling establishment is eligible to be a Military Member if the bowling establishment is owned and/or operated by any branch of the armed services, is located on a military or governmental reservation and is open only to bowling facilities which follow Department of Defense personnel usage guidelines. Should the bowling establishment be located within the Membership Territory of a qualified and recognized State or Local Association or Associations affiliated with this Association, the Military Member's dues rate in this Association will be 35% of the dues rate for Regular Members when the Military Member joins the State and Local Associations and pays 100% of the then prevailing State and Local dues.

Section 2.05a – NON-PROFIT MEMBERS. Any bowling establishment is eligible to be a Non-Profit Member if the bowling establishment is:

- (a) a part of, and situated in a college, church, government park and recreation building, or
- (b) is owned and administered by an organization that has a non-profit tax status, provided it has twelve lanes of bowling or less and is not typically open to the general public.

Section 2.07 – INTERNATIONAL MEMBERS. Any bowling establishment located outside the United States of America, its territories and possessions, which if located in the United States would be eligible to be a Regular Member, is eligible to be an International Member of this Association. Except when otherwise provided, or where context otherwise requires, the term "Regular Member" appearing hereafter includes International Members.

Section 2.08 – HONORARY MEMBERS. Any person may be recommended for Honorary Membership upon submission of the person's name and a full statement in support of the proposed nominee to the Board of Directors by any qualified State Association or the Executive Director no later than December 31. Nominated individuals will be elected as Honorary Members upon three-quarters (3/4) vote of the Regular Members at the Annual Meeting. Honorary Members may attend all meetings of the Association, but will not be entitled to any other rights and privileges.

- (a) Past Presidents will be eligible for automatic honorary membership, confirmed upon a majority vote by the Board of Directors; however, any center they have in membership will still be required to pay dues.

Section 2.09 – APPLICATION FOR AND ADMISSION TO MEMBERSHIP. A request to the Director of Membership and/or Executive Director, acceptance of membership and payment of dues will constitute membership.

One membership only will be issued for each bowling establishment, and will entitle only that establishment to the rights and privileges of membership. Persons, firms, corporations or other legal entities operating more than one (1) bowling establishment may apply for a separate membership for each bowling establishment so operated.

Section 2.10 – DIRECT MEMBERSHIP. Applications for Regular Membership by bowling establishments not within the Membership Territory of any State or Local Association will be processed by the Executive Director in accordance with procedures established by the Board of Directors. If the application conforms with the requirements for membership, the application will be approved and notice of such approval sent by the Executive Director to the applicant.

Section 2.11 – APPLICATION FROM A MEMBERSHIP TERRITORY. Except for Military Members who will apply directly to this Association for membership approval, applications for Regular Membership by establishments within the Membership Territory of a State or Local Association will be promptly forwarded to the appropriate State or Local Association in whose Membership Territory the establishment is located. That association will promptly take action thereon and will return the application to the Executive Director together with the notice of the action so taken.

- (i) If the application has been approved and the applicant admitted to membership in the State or Local Association involved, and the applicant is otherwise qualified here-under, the applicant will thereupon become a Member of the respective class in the Association.
- (ii) If the application has been disapproved by a State or Local Association, the reason or reasons for such disapproval will be fully stated in writing by the association involved and returned with the application, and such will be presented by the Executive Director to the Board of Directors at its next following meeting. If the Board of Directors concurs in the refusal, the Executive Director will so notify the applicant and the State or Local Association involved, and the applicant will not become a Member hereof.
- (iii) If the Board of Directors determines that the applicant will nevertheless become a Direct Member in the respective class in this Association, the applicant is admitted to direct membership herein, and the applicant and the State or Local Association or Associations involved will be so notified by the Executive Director. Within thirty (30) days after the receipt of the notice of acceptance as a Direct Member herein, each such State or Local Association which has not approved such applicant for membership will notify the Executive Director whether it reaffirms its refusal to admit or instead has admitted the applicant. Failure to send such notice within the thirty (30) days specified will constitute acceptance of the applicant by such State or Local Association and the applicant will become a Member in the respective class thereof. Affirmance of refusal will not affect the Applicant's membership herein.

Section 2.12 – ACTION BY BOARD OF DIRECTORS. All applications requiring action by this Association will be acted upon by the Board of Directors. The Board of Directors may adopt, and the Executive Director will implement, any procedures not inconsistent herewith in order to effectuate the prompt and proper processing and disposition of all such applications.

Section 2.13 – TRADEMARK LICENSE TO MEMBERS. The Association hereby grants to all members in the classes described in Section 2.01 a non-exclusive royalty free license to use the BPAA Trademarks in connection with the promotion of services and events offered by or related to the Association.

- (i) All use of the BPAA Trademarks by members will inure to the benefit of the Association.
- (ii) All promotional and advertising material bearing the BPAA Trademarks will be submitted to and approved by the Association's Executive Director, or other person designated by the Association, prior to the adoption and use by members, such approval not to be unreasonably withheld.
- (iii) All use of the BPAA Trademarks will be in a manner consistent with that of the BPAA and no member will alter or add material or subtract from the BPAA Trademarks in any way.
- (iv) The Association's Executive Director will review the selection, quality and promotion of the services to be provided under the BPAA Trademarks.
- (v) The Association's Executive Director or other authorized representatives have the right to inspect the nature and quality of services offered and provided by members in connection with the BPAA Trademarks.
- (vi) The license granted herein is terminated immediately upon loss of membership status and all materials bearing BPAA Trademarks must be returned to the Association's Executive Director or destroyed with certification of the destruction provided to the Association's Executive Director or other authorized representatives.

ARTICLE 3 -- QUALIFIED STATE AND LOCAL ASSOCIATIONS

Section 3.01 – QUALIFICATIONS. A state, city, district or regional bowling proprietors' association now or hereafter existing is eligible to be recognized by this Association as a qualified State Association or a qualified Local Association, as the case may be, if (a) it has adopted in its Bylaws provisions consistent with, and is conducting its affairs in accordance with, the objectives of this Association, and (b) it has certified to this Association, *on a form prescribed by the Association*, that it has so adopted such provisions and that its affairs are being so conducted. The terms "State Association" or "Local Association" when used separately or together herein refer to associations recognized as qualified as provided herein unless the text otherwise provides.

Section 3.01a – NAME AND LICENSE. The name of each State and Local Association is subject to approval of the Association's Executive Director. Any change or modification of a State or Local Association name must first be approved by the Association's Executive Director. Every State and Local Association is granted a non-exclusive royalty-free license to use BPAA Trademarks in connection with the State or Local Association's name, and in connection with the promotion of services and events offered by or related to the Association. Use of BPAA Trademarks is subject to the provisions of Section 2.12 above.

Section 3.02 – MEMBERSHIP TERRITORY. Upon being recognized by this Association as qualified, each State and Local Association will be allocated a Membership Territory, designated by the Board of Directors so far as possible on the basis of the geographical area in which the association renders services and its members are located. Such associations allocated a Membership Territory which is a state or which the Board of Directors deems to be equivalent to a state, are State Associations. In the event the proposed Membership Territory of a Local Association is located in whole or in part within the Territory of one or more State Associations, the Board of Directors will not designate the Local Association's Territory without first considering the recommendations of the State Association or Associations involved. Each State and Local

Association will, as a condition of qualification hereunder, agree to abide by the territorial allocations so designated, subject to the right of appeal herein.

Section 3.03 – RIGHTS AND PRIVILEGES. State and Local Associations will enjoy, by virtue of their qualification hereunder, only the rights and privileges expressly set forth herein. Upon termination of qualification for any reason, all rights and privileges of the association involved will immediately be forfeited and terminate.

Section 3.04 – RENEWAL OF CERTIFICATION. At least fifteen (15) days in advance of each Annual Meeting of this Association, and at such other times as the Board of Directors may request, each State Association will, for itself and its Local affiliated associations, if such be true, certify in writing signed by a duly authorized officer that (a) its Bylaws contain provisions consistent with the objectives of this Association, and (b) it has conducted, since the date of its last certificate, and is conducting its affairs in accordance with the objectives of this Association.

Section 3.05 – SUSPENSION OR TERMINATION OF QUALIFICATION AND RECOGNITION. The qualification and recognition by this Association of any State or Local Association may be terminated at any time by voluntary withdrawal by the association involved, or may be suspended for a period or terminated by this Association for a cause as provided herein.

Section 3.05a – AUTOMATIC SUSPENSION. Failure to renew the certification as provided in Section 3.04 will automatically suspend the rights and privileges of the association concerned until such time as the required certification can be and is filed with this Association.

Section 3.05b – OTHER CAUSE. False certification or other violations of these Bylaws are examples of cause for suspension or expulsion. The requirements and procedure for determining whether cause exists under Section 3.05b and, if so, whether the association concerned is suspended or expelled, will be the same as provided in Section 4.03.

Section 3.06 – NON-TENPIN DEPARTMENTS. Upon application signed in behalf of a majority of the Regular Members having duckpin or other non-tenpin facilities within the Membership Territory of a State or Local Association, the Board of Directors of this Association may require that association to establish a separate department classified according to the type of non-tenpin bowling facilities involved. The duties of the department will be to promote the type of bowling involved within the Membership Territory and to cooperate with and assist any national activities department established for the same type of bowling facilities. Provisions for enrollment in the department and for assessment of any member enrolled therein may be determined by the association involved, provided that no member of the association is qualified to enroll unless it is also enrolled in the comparable national activities department, if any, and provided further that the provisions of Section 2.03 hereof will govern as applicable within the Membership Territory involved.

ARTICLE 4 -- DURATION, TERMINATION AND RECLASSIFICATION OF MEMBERSHIP

Section 4.01 – DURATION OF MEMBERSHIP. Each establishment admitted to membership in the Association pursuant to these Bylaws will be a member of the Association until membership is terminated by voluntary withdrawal, or as otherwise provided herein. Unless otherwise provided, all requirements for membership in any class are continuing requirements that must be maintained in order to maintain membership.

Section 4.02 – RESIGNATION. A Member of any class may resign from this Association.

Section 4.03 – SUSPENSION OR EXPULSION BY THE ASSOCIATION. For cause, a Member of any class may be suspended for a period, or expelled, by action of the Board of Directors. Suspension or expulsion for non-payment of dues or assessments is governed by Article 6. Suspension or expulsion for any other cause is governed hereby. An example of such cause is, but not limited to, violation of these Bylaws. No Member may be suspended or expelled for cause except (a) upon written complaint specifying the cause or causes, signed by a Regular Member in good standing, and (b) after due notice and hearing, or fair opportunity to be heard, before a special committee of not less than three impartial Regular Members appointed by the President. The special committee will conduct the hearing and report its findings and recommendations to the Board of Directors. The Board of Directors will adopt rules of procedure, not inconsistent herewith, to be followed by each such special committee in order to afford each Member complained of fair and reasonable opportunity to answer and present evidence.

Section 4.04 – SUSPENSION OR EXPULSION BY A STATE OR LOCAL ASSOCIATION. Any Regular Member within the Membership Territory of a State or Local Association, which is suspended for a period or expelled by the State or Local Association, may appeal in accordance with this and any other applicable Bylaws. Questions respecting membership in this Association will be determined as a result of the appeal. Otherwise, suspension for a period, or expulsion, by a State or Local Association will automatically suspend for the same period or terminate membership in this Association, provided the State or Local Association involved has substantially adhered to its Bylaws in so acting and has within thirty (30) days thereafter notified the Executive Director in writing of its action, the specific reasons therefore, and the procedure followed in the particular case. In any particular case, the Board of Directors may determine to waive the requirement of membership in other associations, in which event, membership herein will not be affected by the suspension or expulsion.

Section 4.05 – EFFECT OF TERMINATION OF MEMBERSHIP. Upon termination of membership for any reason, all rights and privileges of membership including without limitation any rights in the property or other assets of the Association will be forfeited and terminate.

Section 4.06 – RECLASSIFICATION OF MEMBERSHIP. Any Regular Member which subsequently becomes ineligible for membership in the class then held will be reclassified by the Board of Directors as a member in any other class for which it is then eligible. To effectuate the foregoing, any Regular Member experiencing a change in its ownership or operation, that changes or may affect its eligibility for the class of membership then held, will report the change within thirty (30) days to the Executive Director, who will so inform the Board of Directors at its next meeting.

ARTICLE 5 -- VOTING RIGHTS AND REPRESENTATIVES

Section 5.01 – IN GENERAL. Voting rights are vested in Regular Members only. Proxy voting is not permitted under any circumstances.

Section 5.02 – REQUIREMENTS TO EXERCISE. Each Regular Member in good standing will be entitled to one (1) vote whenever voting by Members is provided herein except those bowling establishments of 750+ Members that receive a rebate or discount of membership dues will be entitled to a proportional part of one (1) vote based on what proportion of full dues are paid. A regular member may vote (i) by attending the meeting (through its representative as provided in Section 5.03 hereof) at which the vote is taken and voting at such meeting or (ii) by mail as provided in Section 5.04 hereof.

Section 5.03 – REPRESENTATIVES OF MEMBERS. Any owner, partner, or corporate officer of an establishment which is a Regular Member of the Association will by written communication to the Association designate himself/herself or some other owner, partner, officer, director or employee as its representative for the

purpose of voting and otherwise participating in the affairs of the Association. The representative designated must in addition have a minimum of a five percent (5%) equity ownership interest in the Regular Member's business (a "Proprietary Interest") in order to be eligible to serve as an Officer or Regional Director of this Association. Evidence satisfactory to the Association of such equity ownership will be furnished in such designation and may include either direct or indirect ownership (e.g. through in a trust or entity which owns the equity ownership in the Regular Member). When in these Bylaws there is reference to action by a Regular Member or Members, such action will be done by the representative or representatives thereof, as the case may be, unless otherwise provided.

Section 5.04 – MEMBER VOTING – OPTIONAL METHODS. Members entitled to vote at meetings of Members may participate and act at any meeting through the use of a conference call or interactive technology (including but not limited to electronic transmission, internet usage or remote communication) by means of which all Members participating in the meeting can communicate with each other. Participation in such a meeting will constitute attendance and presence in person.

Any action required to be taken by Members (including the election of Directors of the corporation) at any annual or special meeting, or any other action which may be taken at a meeting of Members, may be taken by written ballot without a meeting through the use of mail, email, or any other electronic means pursuant to which the Members entitled to vote on a matter are provided the opportunity to vote for or against the proposed action. The proposed action will be required to receive a majority of the votes so cast or such larger percentage as is required by Illinois law, the corporation's Articles of Incorporation or these Bylaws. In all cases the Members casting votes will at a minimum constitute a quorum as though such action had been taken at an in person meeting. Voting in such cases must remain open for not less than five (5) days from the date ballots are delivered. In circumstances where the proposed action concerns removal of one or more Directors or a merger, consolidation, dissolution, or sale, lease or exchange of assets of the corporation, the voting will remain open for not less than twenty (20) days from the date ballots are delivered. In addition, such action will not become effective until Members entitled to vote thereon have been provided notice of such action at least five (5) days prior to its proposed effective date.

ARTICLE 6 -- FISCAL YEAR, DUES, FEES AND ASSESSMENTS

Section 6.01 – FISCAL YEAR. The fiscal year of this Association will be as determined by the Board of Directors.

Section 6.02 – DUES - GENERAL. The annual dues for each class of membership of the Association will be at the rate or rates approved by the Regular Members present at any Annual Meeting. Dues will be paid on the basis of all tenpin lanes in the respective establishment, except that (a) dues for International Members may be paid on a per-center basis, and (b) dues for 750+ Members, Military Members, Non-Profit Members, Individual Members and Retired Members may be based on factors other than number of tenpin lanes. If the rate of dues for 750+ Members provides that they receive a discount, the Association will adopt a rebate program to the State Associations whereby the Associations will rebate the affected State Associations a percentage, determined by the Board of Directors, of the discounted dues.

Section 6.03 – DUES - CATEGORIES OF LANES. Rates of dues different from rates of dues established for tenpin lanes may be provided for non-tenpin lanes. If different rates are so provided, the dues for split establishments will be in accordance with the rates applicable to the respective categories of lanes in the establishment. Only one rate of dues may be charged against the same lane.

Section 6.04 -- DUES - PAYABLE; FAILURE TO PAY. Dues for a calendar year will be payable in full at the beginning of that calendar year, January 1st. If the applicable dues of any Member are not received in full by

January 31st, the Member will be dropped from membership unless on a pre-approved payment plan approved by the Executive Director. A Member dropped for non-payment of dues will not be eligible for any membership rights or privileges until dues are paid in full.

Section 6.05 – DUES - METHOD OF PAYMENT. Dues by a Member who is also a member of a State or Local Association may be collected by the State or Local Association designated for such purpose by the Board of Directors, and then remitted to this Association. Dues may be invoiced and collected by this Association if it has been requested in writing and authorized by the State or Local Association. Dues by a Member who is not a member of a State or Local Association so designated will be paid directly to this Association.

Section 6.06 – PRORATA DUES. New Members, defined as those not in membership the previous two years, will pay dues proportionally according to the number of months remaining in the calendar year when they join the Association.

Section 6.07 – ASSESSMENTS. The Regular Members or, in an emergency, the Board of Directors will have the exclusive power to make and levy assessments. Assessments so made and levied will, for all purposes of these Bylaws, be considered and collectible as dues.

Section 6.08 – FEES. The Board of Directors may from time to time establish reasonable amounts to be charged as initiation and meeting registration fees.

ARTICLE 7 -- GOVERNMENT OF THE ASSOCIATION

Section 7.01 – THE BOARD OF DIRECTORS. The management of the property, business and affairs of the Association is vested herein in the Board of Directors.

Section 7.02 – RESERVATION IN MEMBERS. Subject to the vested rights of third parties, the Members will have the right to rescind any such actions taken by the board of directors upon a two-thirds (2/3) vote of the Members present, except as to such matters specifically authorized by these Bylaws, or as authorized by a prior vote of the Members, or where the action has been initiated or completed prior to consideration by the Members.
