No other products or code dates shipped to you are affected by this recall. Taylor Farms is cooperating with the Food and Drug Administration (FDA) and the United States Department of Agriculture (USDA) in connection with this recall. There have been no illnesses reported to Taylor Farms in connection with the recalled products.

Please examine your warehouse and inventory to determine if you have any of the recalled product on hand. If you do have the recalled product on hand, please destroy it, fill out the attached form and return the completed form to Thomas Yongo, tyongo@taylorfarms.com.

We appreciate your assistance in this matter.

Sincerely,

Thomas Yongo
Taylor Farms

OPERATING COMPANIES THAT RECEIVED AFFECTED PRODUCTS:

FRESHPOINT OKLAHOMA
SYSCO KANSAS CITY
SYSCO CENTRAL TEXAS
SYSCO OKLAHOMA

PLEASE TAKE THE FOLLOWING ACTIONS:

1. Review your inventory for the above listed product(s) and if on hand, place the product on hold and retain any empty cases/shippers.
2. Do not dispose of product unless specifically instructed by Sysco via formal notice.
3. If you have any questions regarding this recall action, please contact your Sysco representative immediately.

NOTE: Receipt of this communication is NOT a confirmation that you have received affected product. This correspondence has been distributed as a courtesy to Sysco's corporate customers and QA teams as a notification of a recall/withdrawal/hold situation. If the unit locations received affected product, they will be contacted by the Sysco Operating Company that services them. If any one of your locations purchased this item(s), regardless of distributor, it is recommended that you check your inventory for affected product.
